

## **MTP Membership Update: Prioritizing Our Players**

To better manage court availability and accommodate our growing community, MTP is transitioning to a member-priority club. While drop-in play remains an option, we're excited to introduce a new Basic Membership and other enhanced membership options.

### ***Introducing a Basic Membership:***

For just \$10 per month, our new Basic Membership offers a flexible "pay-as-you-play" system with the following member rates:

- \$15 per visit: Monday–Thursday before 4 p.m.
- \$25 per visit: All other times

Limited-Time Offer:

To celebrate the launch of our Basic Membership, we're waiving the \$50 initiation fee for the first 100 sign-ups!

### ***Other Membership Options & Enhanced Benefits:***

We also offer additional membership tiers with enhanced benefits, including discounted private reservation, discounted and free-play opportunities, member-only events, leagues, and tournaments. All current membership rates remain unchanged. Contact us for more details!

### ***Drop-in Play:***
